Subject: Prosperity - Update to Interested Parties - Panel Report

Dear Interested Parties:

Please be advised that today, the federal Panel reviewing Taseko Mines Ltd.'s proposed Prosperity Gold-Copper Mine Project (the Project) submitted its report to the federal Minister of the Environment and to the Ministers of Fisheries and Oceans Canada, Transport Canada and Natural Resources Canada, the responsible authorities for the Project.

The Panel's report, including the executive summary, are attached to this message. The Panel's report is also available at www.prosperityreviewpanel.com.

The [News Release](#) is available on the Canadian Environmental Registry for the Project.

The Government of Canada will now consider the Panel's conclusions and recommendations in determining whether it will issue the authorizations, approvals and permits required to enable the Project to proceed.

Thank-you,

Colette Spagnuolo
