

The Prince Rupert Fairview Terminal Phase II Expansion Project

The Prince Rupert Port Authority (PRPA) and the Canadian National Railway Company, is providing a public comment period for the above captioned project with respect to the following document: *Mitigation Strategy Report for the Proposed Fairview Terminal Phase II Expansion Project in Prince Rupert, BC* (referred to as the MSR). This document has been prepared by the PRPA and Canadian National Railway Company, as Project Proponents. This public comment period is held on behalf of the responsible authorities, Fisheries and Oceans Canada, Environment Canada and the Canadian Transportation Agency.

A printed copy of the document is available for review at the Prince Rupert Public Library. An electronic copy can be downloaded from the PRPA website.

English:

rupertport.com/pdf/newsreleases/fairview_phase_2_mitigation_strategy_report.pdf

French:

rupertport.com/pdf/newsreleases/fairview_phase_2_mitigation_strategy_report_fr.pdf

The MSR references the *Environmental Impact Statement - Fairview Terminal Phase II Expansion Project, including Kaien Siding* (referred to in the EIS).

To supplement the MSR, a hard copy of the EIS is also available at the Prince Rupert Public Library. An electronic copy can be provided upon request. Contact the PRPA at (250) 627-8899 or email pcorp@rupertport.com to request a copy.

Comments arising from the review of the MSR must be submitted to PRPA in writing no later than **4:30 PM local time November 19th, 2011**.
