

## **Request for public comments on the Draft Environmental Assessment Guidelines under the *Canadian Environmental Assessment Act* for the proposed New Bridge for the St. Lawrence project (Quebec)**

Transport Canada is seeking public comments regarding the Draft Environmental Assessment Guidelines under the *Canadian Environmental Assessment Act* for the proposed New Bridge for the St. Lawrence project in Montreal, Quebec. This environmental assessment will be conducted in accordance with the requirements of the *Canadian Environmental Assessment Act*.

Interested parties should submit their comments in writing to Transport Canada's New Bridge to the St. Lawrence environmental assessment team at the address below. The request for public comment period ends on **April 4, 2012**. Transport Canada staff will assess all comments received on this subject, which will also be publicly available.

A copy of the Draft Environmental Assessment Guidelines and other information can be obtained from the Canadian Environmental Assessment Registry.

Written comments on the Draft Environmental Assessment Guidelines should be submitted by mail, fax or email no later than **April 4, 2012** to:

**Environmental Assessment Team for the New Bridge for the St. Lawrence**  
**Transport Canada**  
**Place de Ville, Tower B, 112 Kent Street, Ottawa, Ont., K1A 0N5**  
**Fax: (613) 990-8889**
