IN THE MATTER OF Coal Valley Resources Inc.'s application for
authorization to construct and operate the Robb Trend Project

AFFIDAVIT

I, Collin Favel, of the Whitefish Lake First Nation #128 in the Province of Alberta, MAKE
OATH AND SAY AS FOLLOWS:

1. I am a member of the Whitefish Lake First Nation #128 (the "**Nation**") and I am a hunter, gatherer within the Nation's traditional territory and as such I have personal knowledge of the matters deposed to in this Affidavit, except where stated to be based on information and belief and where so stated I verily believe the same to be true.
2. Now produced and shown to me and marked as **Exhibit "A"** to this my Affidavit is a true copy of a map depicting a portion of the Nation's traditional territory, the proposed Coal Valley Resources Inc.'s. ("**Coal Valley**") Robb Trend Project and the areas where I have and continue to hunt and gather. Attached to this my Affidavit and marked as **Exhibit "B"** is a true copy of a map depicting a portion of the Nation's traditional territory and the areas where I have and continue to hunt and gather.
3. I hunt and gather and have hunted and gathered on unoccupied Crown lands and lands to which I have or previously had a right of access within the Nation's traditional territory. I have hunted in the marked areas, as shown in **Exhibit "A"** and **Exhibit "B"** as a young man and into my adulthood.
4. In these areas I have hunted the following animals, including, but not limited to:
 - a. Birds, which include, but not limited to grouse;
 - b. Moose;
 - c. Elk;
 - d. White Tail Deer;
 - e. Mule Deer;
 - f. Rabbit.

5. I have gathered the following in the marked area, including but not limited to:
 - a. Blueberries;
 - b. High Bush Cranberries;
 - c. Low Bush Cranberries;
 - d. Raspberries;
 - e. Gooseberries;
 - f. Huckleberries; and
 - g. Traditional medicines, which include, but not limited to, roots and bark.

6. As a hunter and gatherer, I am concerned that the activities conducted by Coal Valley for the proposed coal project will further impact the wildlife populations in the area. The activities of Coal Valley and the proposed coal project will also occupy lands to which I have previously had a right of access and will further restrict the area in which I can exercise my Treaty rights to hunt and gather.

7. I make this Affidavit in support of the position of the Nation in this matter and for no improper purpose.
