Re: Withdrawal from the Harper Creek Mine Comprehensive Study

Dear Ms. Nelson,

On February 15, 2019, Taseko Mines Limited acquired Yellowhead Mining Inc., owner of the Harper Creek Mine Project located in the Thompson-Nicola area of BC.

This letter is notice that Taseko is withdrawing from the current Harper Creek Mine Comprehensive Study in order to re-enter the Environmental Assessment process, under CEA 2012, with a revised version of the project called the Yellowhead Copper Project.

Sincerely,

TASEKO MINES LIMITED
