

Appendix C

Key Subject Index

Key Subject	Section of EIS
Project Description	2.0
Purpose of and Need for the Project	2.2
Alternatives to the Project	2.3
Project Location	2.4
Facilities and Components	2.5
Project Activities and Schedule	2.6
Labour Force Requirements	2.7
Alternative Means of Carrying Out the Project	2.8
Potential for ARD/ML	16.4 16.6.1 16.6.2 16.9
Atmospheric Environment	14.0
Generation and control of dust	14.4, 14.6.1.1 14.6.2.1 14.6.3.1 14.7.1
Greenhouse gas emissions	14.4 14.6.1.2 14.6.2.2 14.6.3.2 14.7.2
Generation and control of noise	14.4 14.6.1.3 14.6.2.3 14.6.3.3
Landforms, Soils Snow and Ice	15.0
Effects on landforms	Volume I
Effects on soil	15.1.4
Effects on snow and ice	Volume I
Water Resources	16.0
Effects on surface water quality	16.4 16.6.1 16.6.2 16.7 16.8 16.9 16.10
Effects on hydrology	Volume I
Effects on groundwater	Volume I

ALDERON IRON ORE CORP.ENVIRONMENTAL IMPACT STATEMENT DRAFT REPORT: REVISION 1
KAMI CONCENTRATE STORAGE AND LOAD-OUT FACILITY, QUÉBEC

Key Subject	Section of EIS
Wetlands	17.0
Effects on Wetlands Habitat Management Units	Volume I
Fish and Fish Habitat	18.0
Effects on fish habitat	Volume I
Effects on fish health and populations	Volume I
Birds and Wildlife	19.0
Effects on wildlife and habitat	19.4 19.6.1 19.6.2 19.6.3 19.6.4 19.6.5 19.7 19.8 19.9.1 19.9.2 19.9.3
Stewardship Management Units	Volume I
Parks and Protected Areas	19.0
Species at Risk	20.0
Historic and Cultural Resources	21.0
Current Use of Lands and Resources for Traditional Purposes by Aboriginal Persons	22.0
Potential effects on traditional land use activities by Aboriginal people	22.4 22.6.1 22.6.2 22.6.3 22.6.4 22.7 22.8 22.9.1 22.9.2 22.9.3 22.9.4
Potential interactions with existing Aboriginal rights or title	Volume I
Land and Resource Use	23.0
Effects on cabin use	Volume I
Effects on access	Volume I
Effects from noise and dust	Volume I
Effects on harvesting (hunting and fishing)	Volume I
Effects on snowmobiling	Volume I
Effects on use of ice and snow	Volume I
Effects on viewscape	23.4

Key Subject	Section of EIS
Effects of blasting	23.6.1 23.9.1
Community Services and Infrastructure	24.0
Availability of housing for workers	24.4 24.6.1 24.6.2 24.7 24.8 24.9 24.10 24.11
Availability of power	Volume I
Increased air travel	Volume I
Increased railway traffic	Volume I
Increased road traffic	24.4 24.6.1 24.6.2 24.7 24.8 24.9 24.10 24.11
Potential effects of blasting on infrastructure	Volume I
Potential effects on community services	Volume I
Potential effects on health services	Volume I
Potential effects on recreational infrastructure	Volume I
Health and Community Health	25.0
Potential effect on human health	25.0
Potential effects on quality of life	25.0
Economy, Employment and Business	26.0
Aboriginal employment and business opportunities	26.6.4 26.5 26.9 26.11
Apprenticeship and training	Volume I
Availability of local workers	26.4 26.6.1 26.6.2 26.6.4 26.7 26.9
Diversity in the workplace	Volume I

Key Subject	Section of EIS
Potential effects on local businesses	26.4 26.6.1 26.6.2 26.6.4 26.7 26.9
Potential effects on property value	Volume I
Secondary processing of iron ore	Volume I
Shortage of skilled workers and wage inflation	26.6.1 26.6.2 26.6.4 26.7 26.9
Cumulative Effects	6.0
Environmental Management	8.0
