Subject: Additional Information Submitted by the Athabasca Chipewyan First Nation

On November 19th, counsel for the Athabasca Chipewyan First Nation (ACFN) provided the panel secretariat with a document titled “ACFN Cultural Importance Summary to support the Imminent Threat Assessment of the Ronald Lake Bison Herd” The material was inadvertently omitted from ACFN’s hearing submission on August 31, 2018.

If Parties have objections to the inclusion of the new information on the record, they are instructed to submit them, in writing, to the Frontier.Review@ceaa-acee.gc.ca mailbox before 4:00pm, Tuesday, Dec 4, 2018. If no objections are received, the Panel will accept the Summary and include it in the record.

Yours truly,
