Subject: Re: The Joint Review Panel has received the Aboriginal Consultation Office (ACO) Hearing Reports

No further consultation is needed with aboriginal groups impacted in the Slave River. I hear they dont need to consult in the north and i do not think that is right because they are impacting our water in the north. Government should bring concerns forward regarding this because Alberta legislation means they do not have to consult us in the North.

Frontier Distribution List:

On November 26, 2018, the Joint Review Panel received from the Aboriginal Consultation Office (ACO) the ACO Hearing Reports in relation to the Joint Review Panel proceeding, provided in accordance with *Energy Ministerial Order 105/2014*, *Environment and Sustainable Resource Development Ministerial Order 53/2014*, and the *Joint Operating Procedures for First Nations Consultation on Energy Resource Activities*. The Reports are available on the CEA Registry Page for the project. Please see the links below.
