

**TMI\_316-SD(1)-11\_Table\_1**

Wildlife Species at Risk Potentially Occurring or Known to Occur within the LSA and RSA (update to Table 5.10.2 of the EIS)					
Species		Status			Local or Recent Records
English Name	Scientific Name	SARA	COSEWIC	SARO	
Birds					
American White Pelican	<i>Pelecanus erythrorhynchus</i>	-	NAR	T	Lake of the Woods
Least Bittern	<i>Ixobrychus exilis</i>	T	T	T	Within local OBBA square
Bald Eagle	<i>Haliaeetus leucocephalus</i>	NAR	SC	SC	Recorded in LSA
Golden Eagle	<i>Aquila chrysaetos</i>	-	NAR	E	Records to north and south of LSA. Possible migrant
Yellow Rail	<i>Coturnicops noveboracensis</i>	SC	SC	SC	Dryden Forest
Black Tern	<i>Chlidonias niger</i>	-	NAR	SC	Recorded in LSA
Short-eared Owl	<i>Asio flammeus</i>	SC	SC	SC	Dryden Forest
Common Nighthawk	<i>Chordeiles minor</i>	T	T	SC	Recorded in LSA
Eastern Whip-poor-will	<i>Caprimulgus vociferous</i>	T	T	T	Northern range limit. Closest records is west of Dryden
Chimney Swift	<i>Chaetura pelagica</i>	T	T	T	None but within range.
Peregrine Falcon	<i>Falco peregrinus</i>	SC	SC	SC	Recorded in LSA
Olive-sided Flycatcher	<i>Contopus cooperi</i>	T	T	SC	Recorded in LSA
Barn Swallow	<i>Hirundo rustica</i>	-	T	T	Active nests in LSA
Canada Warbler	<i>Cardellina canadensis</i>	T	T	SC	Recorded in LSA

**TMI\_316-SD(1)-11\_Table\_1**

Wildlife Species at Risk Potentially Occurring or Known to Occur within the LSA and RSA (update to Table 5.10.2 of the EIS)					
Species		Status			Local or Recent Records
English Name	Scientific Name	SARA	COSEWIC	SARO	
Bobolink	<i>Dolichonyx oryzivorus</i>	-	T	T	Within local OBBA square
Rusty Blackbird	<i>Euphagus carolinus</i>	SC	SC	-	Within local OBBA square
Amphibians and Reptiles					
Snapping Turtle	<i>Chelydra serpentina</i>	SC	SC	SC	Dryden Forest
Mammals					
American Badger	<i>Taxida taxus</i>	E	E	E	Most recent records from 1960s
Gray Fox	<i>Urocyon cinereoargenteus</i>	T	T	T	Known from Rainy River District
Cougar	<i>Puma concolor</i>	-	-	E	No confirmed records but occasional reports
Eastern Timber Wolf	<i>Canis lupus lycaon</i>	SC	T	T	Unknown
Little Brown Myotis	<i>Myotis lucifugus</i>	E	E	E	Recorded in LSA
Northern Myotis	<i>Myotis septentrionalis</i>	E	E	E	Recorded in LSA
Invertebrates					
Monarch	<i>Danaus plexippus</i>	SC	SC	SC	Relatively common in Ontario
<p>SARA – Federal <i>Species at Risk</i> Act, COSEWIC – Committee on the Status of Endangered Wildlife in Canada; SARO – Species at Risk Ontario; NAR – Not at Risk; T – Threatened; E – Endangered; OBBA – Ontario Breeding Bird Atlas; LSA – Local Study Area; RSA – Regional Study Area</p>
