

## *Appendix 2-D*

*Summary of HD Mining's Communications with Aboriginal Groups during the Pre-Application Stage*

MURRAY RIVER COAL PROJECT

**Application for an Environmental Assessment Certificate / Environmental Impact Statement**

**Appendix 2-D1. Summary of HD Mining's Communications with West Moberly First Nations during the Pre-Application Stage**

Date	Method of Communication	Participants	Topic of Communication
22-Feb-2010	Meeting	Chief and Council; Land Use Manager	Project update
24-Mar-2010	Email	Chief and Council	Project update
30-Mar-2010	Email w/ attach	Chief and Council	Invitation to Chief and Council for site tour
11-May-2010	Telephone	Councillor	Invitation to Chief and Council for site tour
19-May-2010	Email	Land Use Manager	Water Fowl Study Map
22-May-2010	Telephone	Chief and Council; Land Use Manager	Project update
1-Jun-2010	Email	Environmental Liaison	Environmental Monitor hire
20-Jun-2010	Email	Councillor	Funding request for Summer Student Employment Program
2-Jul-2010	Telephone	Councillor	Funding for Summer Student Employment Program
9-Jul-2010	Meeting	Administration	Sponsorship funds delivered for Westmo Days community event (\$10,000)
25-Jul-2010	Event	WMFN Community	Attendance at Westmo Days community event
5-Aug-2010	Email	Councillor	Draft Protocol Agreement
23-Aug-2010	Email	Administration	Employment opportunities
29-Aug-2010	Meeting	Land Use Manager	Project update
1-Nov-2010	Meeting	Land Use Manager	Funds delivered for Environmental Liaison (\$4,712.50), Land Use Department (\$30,000), staff party (\$5,000)
15-Nov-2010	Email	Chief and Council, Land Use Manager	Project update
26-Nov-2010	Email	Land Use Manager	Environmental monitor position
9-Dec-2010	Telephone	Councillor	Request \$2000 for Staff Christmas Party
7-Jan-2011	Meeting	Land Use Manager	Support for the Project. Wildlife studies are satisfactory.
1-Feb-2011	Email	Land Use Manager	Project update on baseline studies
7-Feb-2011	Meeting	Environmental Liaison	Project update
4-Mar-2011	Meeting	Councillor	Letter of support. Education opportunity. Funding for community projects.
10-Mar-2011	Meeting	Environmental Liaison	Maps of the Murray River Tenure and Surface facility
21-Mar-2011	Meeting	Councillors; Land Use Manager	Project update
22-Mar-2011	Meeting	Land Use Manager	Traditional knowledge and use studies
23-Mar-2011	Meeting	Environmental Liaison	Teaching traditional Knowledge to youth
23-Mar-2011	Meeting	Land Use Manager	Project Description and Surface Facility Site
23-Mar-2011	Email	Environmental Liaison	Teaching traditional Knowledge to youth

**Appendix 2-D1. Summary of HD Mining's Communications with West Moberly First Nations during the Pre-Application Stage**

Date	Method of Communication	Participants	Topic of Communication
24-Mar-2011	Email	Land Use Manager	Copy of Project Description and Surface Facility Plan
24-Mar-2011	Meeting	Environmental Liaison	Teaching traditional Knowledge to youth
24-Mar-2011	Email	Environmental Liaison	Teaching traditional Knowledge to youth
7-Apr-2011	Email	Councillor	Draft Protocol Agreement
12-Apr-2011	Telephone	Environmental Liaison	Country foods interview and general information on WMFN activities
17-May-2011	Email	Councillor	Draft Protocol Agreement
18-May-2011	Email	Councillor	Draft Protocol Agreement
20-May-2011	Email	Councillor	Draft Protocol Agreement
26-May-2011	Email	Cultural Program Coordinator	Chinese dancers for WestMo Days
27-May-2011	Email	Councillor	Copy of the First Coal Court decision
10-Jun-2011	Email	Chief and Council	Draft Protocol Agreement
16-Jun-2011	Email	Chief and Council	Summary of gas bubbling situation on the Murray River tenure
16-Jun-2011	Telephone	Councillor	Details of costs of Protocol Agreement
17-Jun-2011	Email	Councillor	Draft Protocol Agreement
22-Jun-2011	Email	Councillor	Draft Protocol Agreement
23-Jun-2011	Email	Councillor	Draft Protocol Agreement
23-Jun-2011	Email	Councillor	Draft Protocol Agreement
11-Jul-2011	Email	Councillor	Draft Protocol Agreement
11-Jul-2011	Telephone	Councillor	Employment opportunity for contractor
12-Jul-2011	Meeting	WMFN, SFN, MLIB, Halfway River First Nation	Delivered Copy of Notice of Work Application for Murray River Coal Bulk Sample Project and Waste Discharge Permit Application (TAR) in person to the Land office of 4 First Nations
22-Jul-2011	Telephone	WMFN member	Employment opportunity for contractor
22-Jul-2011	Email	Councillor	Draft Protocol Agreement
30-Jul-2011	Event	WMFN Community	Attendance at Westmo Days community event
31-Jul-2011	Event	WMFN Community	Attendance at Westmo Days community event
11-Aug-2011	Email	Councillor	Request list of Band/member and joint venture companies
13-Aug-2011	Email	Councillor	Draft Protocol Agreement
18-Sep-2011	Meeting	Councillor	Project update

**Appendix 2-D1. Summary of HD Mining's Communications with West Moberly First Nations during the Pre-Application Stage**

Date	Method of Communication	Participants	Topic of Communication
9-Nov-2011	Meeting	Band Office	Project update regarding permits
23-Nov-2011	Site Tour	Councillor; Land Use Manager	Tour of Project site
9-Feb-2012	Email	Land Use Manager	Project update regarding tree cutting and contact
29-May-2012	Email	Administration	Project update
6-Sep-2012	Meeting	Land Use Managers of WMFN, SFN, MLIB	Project update. Discussions regarding: Project hiring; training; third party review of the Application/EIS; community meetings.
6-Sep-2012	Meeting	Land Use Manager	Socio-economic, land use, and traditional knowledge studies
1-Nov-2012	Email	Assistant Land Manager	Draft TK/TU Desk-Based Research Report for review and comment
13-Dec-2012	Email	Assistant Land Manager	Draft First Nations Consultation Plan for review and comment
14-Dec-2012	Email	Assistant Land Manager	WMFN view that draft TK/TU Desk-based Research Report is not acceptable to WMFN. WMFN recommendation that WMFN undertake own TK/TU study.
6-Feb-2013	Telephone	Pottinger Gaherty Ltd.	Scope of work program and cost estimate for third party review of Application/EIS
13-Feb-2013	Email	Pottinger Gaherty Ltd.	Contract for third party review of Application/EIS
14-Feb-2013	Email	Chief; Land Use Manager	Copies of 1) A news release prepared by HD Mining regarding the Temporary Foreign Workers Returning to China and 2) An open letter to the Construction and Specialized Workers Union, Local 1610 and the International Union of Operating Engineers, Local 115.
18-Mar-2013	Email	Land Use Manager	Traditional knowledge and use and socio-economic research. WMFN would prefer to hire their own consultant for traditional knowledge and use research.
18-Mar-2013	Email	Land Use Manager	Information about the socio-economic baseline study, a draft report of information collected to date, and example research questions
5-Apr-2013	Telephone	Land Use Manager	Attempt to follow up with WMFN on proposed socio-economic research
10-Apr-2013	Telephone	Land Use Manager	Attempt to follow up with WMFN on proposed socio-economic research
11-Apr-2013	Telephone	Land Use Manager	Description of Country Foods baseline study and request for comments on use of 2008/2009 UNBC First Nations Food, Nutrition and Environment Study data
11-Apr-2013	Email	Land Use Manager	Details regarding the use of the UNBC First Nations Food, Nutrition and Environment Study and any potential additional data
24-Apr-2013	Email	Land Use Manager	Attempt to follow up with WMFN on proposed socio-economic research

## Appendix 2-D1. Summary of HD Mining's Communications with West Moberly First Nations during the Pre-Application Stage

Date	Method of Communication	Participants	Topic of Communication
24-Apr-2013	Email	Land Use Manager	Socio-economic research will be placed on the agenda for a May 17, 2013 meeting between HD Mining and Chief and Council
17-May-2013	Meeting	Councillors; Land Use Manager	Project update and WMFN's preferences regarding engagement in the environmental assessment process. Permission requested to conduct socio-economic interviews with MLIB service providers.
21-May-2013	Email	Land Use Manager	Attempt to follow up with WMFN on proposed socio-economic research
24-May-2013	Email	Devlin Gailus Barristers & Solicitors	WMFN Protocol Agreement Template
27-May-2013	Telephone	Land Use Manager	Attempt to follow up with WMFN on proposed socio-economic research
29-May-2013	Telephone	Land Use Manager	Attempt to follow up with WMFN on proposed socio-economic research
6-Jun-2013	Open House	WMFN	Project summary and questions and answers
6-Jun-2013	Email	Land Use Manager	Example socio-economic interview questions and informed consent form for WMFN review
7-Jun-2013	Email	Land Use Manager	Draft socio-economic research plan for WMFN review
13-Jun-2013	Telephone	Land Use Manager	To discuss socio-economic interviews. Left message.
18-Jun-2013	Telephone	Land Use Manager	To discuss socio-economic interviews. Left message.
19-Jun-2013	Telephone	Land Use Manager	To discuss socio-economic interviews. Left message.
24-Jun-2013	Telephone	Land Use Manager	To discuss socio-economic interviews. Left message.
28-Jun-2013	Telephone	Land Use Manager	Training for WMFN community member in basic socio-economic data collection and interview methods as part of Project socio-economic interviews
18-Jul-2013	Email	Pottinger Gaherty Ltd.	Reports for third party review: Hydrology, Meteorology, Terrain and Soils
19-Jul-2013	Letter (via email)	Pottinger Gaherty Ltd.	Request for information pertaining to the bulk sample permit
24-Jul-2013	Email	Land Use Manager	Community researcher training proposal
1-Aug-2013	Email	Land Use Manager	Email regarding third party review contractor
13-Aug-2013	Email	Pottinger Gaherty Ltd.	Baseline reports for third party review: Socio-economic, Metals, Heritage, Non-traditional Land and Resource Use
15-Aug-2013	Letter (via email)	Land Use Manager	Letter concerning the Third Party Review
4-Sep-2013	Email	Land Use Manager	The community researcher training proposal is adequate. Chief and Council will be contacted to determine a suitable candidate.
6-Sep-2013	Email	Pottinger Gaherty Ltd.	Baseline reports for 3rd party review: Country Foods, Fisheries, and Aquatics
25-Oct-2013	Telephone	Land Use Manager	Askiy socio-economic research proposal

**Appendix 2-D1. Summary of HD Mining's Communications with West Moberly First Nations during the Pre-Application Stage**

Date	Method of Communication	Participants	Topic of Communication
4-Nov-2013	Email	Pottinger Gaherty Ltd.	Correspondence from WMFN, SFN, and MLIB re: 3rd party review
6-Nov-2013	Email	Land Use Manager	Update regarding Askiy socio-economic research proposal
5-Dec-2013	Telephone	Land Use Manager; Askiy Consultants	Conference call to discuss the scope and coordination of Askiy's socio-economic baseline for WMFN
6-Dec-2013	Email	Land Use Office	Agreement to fund West Moberly First Nations Socio-economic Baseline Study (undertaken by Askiy Resources Consulting)
26-Jul-2013	Event	WMFN Community	Sponsorship for WestMo Days community event (\$1000)
26-Jul-2013	Event	WMFN Community	Participation in WestMo Days community events
27-Jul-2013	Event	WMFN Community	Participation in WestMo Days community events
28-Jul-2013	Event	WMFN Community	Participation in WestMo Days community events
1-Aug-2013	Email	Land Use Manager	Third party review contractor
12-Aug-2013	Telephone	Land Use Manager	To discuss community researcher training proposal
15-Aug-2013	Letter (via email)	Land Use Manager	Third party review contractor
4-Sep-2013	Email	Land Use Manager	Follow up on community researcher training proposal
4-Sep-2013	Email	Land Use Manager	The community researcher training proposal is adequate. Chief and Council will be contacted to determine a suitable candidate.
25-Oct-2013	Telephone	Land Use Manager	Socio-economic baseline proposal
1-Nov-2013	Letter (via email)	Land Use Manager; SFN (Lands Biologist); MLIB (Land Referral Manager)	Clarification of First Nations' expectations with respect to 3rd party review of the proposed Project, including an outline of the 3rd party review process
6-Nov-2013	Telephone	Land Use Manager	Update on WMFN-contracted researchers' proposal for socio-economic
5-Dec-2013	Letter (via email)	Land Use Manager	Scope of the third party review of the Application/EIS
5-Dec-2013	Teleconference	Land Use Manager; Askiy Consultants	Scope and coordination of Askiy's socio-economic baseline for WMFN
6-Dec-2013	Email	Land Use Manager	Approval to fund WMFN/ Askiy socio-economic baseline study in connection with the Project
12-Dec-2013	Email	Land Use Manager; Askiy Consultants	Copies of baseline reports: socio-economic, non-traditional land use, heritage, country foods
18-Dec-2013	Teleconference	Land Use Manager; SFN (Lands Biologist); MLIB (Land Referral Manager)	Project update. Scope of a third party review of the Application/EIS, including roles, approach to resolving technical issues, and participation of WMFN, SFN and MLIB in the review of the Application/EIS.
27-Feb-2014	Email	Land Use Manager; Askiy Consultants	Status of socio-economic baseline study and expected date for submission

**Appendix 2-D1. Summary of HD Mining's Communications with West Moberly First Nations during the Pre-Application Stage**

Date	Method of Communication	Participants	Topic of Communication
4-Mar-2014	Letter (via email)	Land Use Manager	Copy of letter sent by PGL to the CEA Agency on behalf of WMFN, SFN, and MLIB providing comments on the EIS Guidelines
11-Mar-2014	Email	Land Use Manager; Askiy Consultants	Status of WMFN socio-economic baseline report
12-Mar-2014	Letter	Chief	Project update
21-Mar-2014	Letter	Chief and Council	Pre-Application/pre-EIS First Nations Consultation Report for WMFN review and comment
25-Apr-2014	Letter	Chief and Council	Project plain language summary for WMFN members. Summary of WMFN-relevant information to be included in the application/EIS for WMFN review and comment.
21-May-2014	Email	Land Use Manager	To determine release date for WMFN socio-economic baseline study
27-May-2014	Telephone	Administration	To confirm receipt of plain language summary and Aboriginal and treaty rights-related information
27-May-2014	Telephone	Land Use Manager	To determine release date for WMFN socio-economic baseline study
10-Jun-2014	Letter	Chief and Council	Distribution of AIA report
19-Jun-2014	Email	Land Use Manager	To request expected release date for WMFN socio-economic baseline study for the Project
9-Oct-2014	Meeting	Land Use Manager	Re: assessment of current use of lands and resources for traditional purposes (Ch 17) and Aboriginal and treaty rights and related interests (Ch 20)
17-Oct-2014	Letter (via email)	Land Use Manager	Letter and draft revisions to Chapters 17 and 20 of the Murray River Project Application/EIS, as discussed at the October 9, 2014 meeting between HD Mining and SFN, WMFN, and MLIB in Chetwynd
13-Oct-2014	Meeting	Land Use Manager	Re: assessment of current use of lands and resources for traditional purposes (Ch 17) and Aboriginal and treaty rights and related interests (Ch 20)

## Appendix 2-D2. Summary of HD Mining's Communications with Saulteau First Nations during the Pre-Application Stage

Date	Method of Communication	Participants	Topic of Communication
1-Feb-2011	Email	Administration	Project baseline studies
11-Feb-2010	Email w/ attach	Band Chief	Proposed funding agreement
23-Aug-2010	Email	Administration	Employment opportunities
18-Feb-2011	Meeting	4Evergreen Resources	Employment opportunities
9-Mar-2011	Meeting	Band Council	Project update and letter of support
10-Mar-2011	Email	Band Council	Maps of the Project Tenure and Surface facility
28-Apr-2011	Phone	Band Chief	MOU, bulk sample
3-May-2011	Telephone	Band Chief	Letter of support
12-May-2011	Telephone	Lands and Sustainable Resource Management Department	Draft agreement
20-May-2011	Mail	Pemmican Days Committee	Donation for Pemmican Days community event (\$1000)
25-May-2011	Meeting	Band Chief and Council	Dinner and discussion of bulk sample permit
23-Jun-2011	Email	Band Council	Funding request for pilot project for students to collect Traditional Knowledge and Land Use information
27-Jun-2011	Phone	Band Council	Funding request for pilot project for students to collect Traditional Knowledge and Land Use information
6-Jul-2011	Phone	Band Chief	Letter of support, capacity funding
12-Jul-2011	Meeting	Lands and Sustainable Resource Management Department	Copy of Notice of Work Application for Murray River Coal Bulk Sample Project and Waste Discharge Permit Application
15-Jul-2011	Event	SFN community members	Attendance and assistance with Pemmican Days community event
16-Jul-2011	Event	SFN community members	Attendance and assistance with Pemmican Days community event
6-Oct-2011	Meeting	Band Council	Bulk sample permit
7-Oct-2011	Meeting	Band Council	Dinner and discussion of bulk sample permit
9-Feb-2012	Email	Saulteau First Nations (info@saulteau.com)	Tree cutting on the Project site and contact information
13-Jul-2012	Meeting	Band Council, Lands and Sustainable Resource Management Department	Project update, employment opportunities, human environment baseline studies
17-Jul-2012	Email	Band Council, Lands and Sustainable Resource Management Department	Field assistant employment opportunities
17-Jul-2012	Email	Band Council, Lands and Sustainable Resource Management Department	Traditional use study

**Appendix 2-D2. Summary of HD Mining's Communications with Saulteau First Nations during the Pre-Application Stage**

Date	Method of Communication	Participants	Topic of Communication
20-Jul-2012	Email	Lands and Sustainable Resource Management Department	Information regarding size of decline and shaft and number of trucks for bulk sample
7-Aug-2012	Telephone and email	Lands and Sustainable Resource Management Department	Field assistant employment opportunities
13-Aug-2012	Email	Boucher Lake Enterprises	Field work contract with Boucher Lake Enterprises
14-Aug-2012	Telephone	Community member	Field assistant employment opportunities
20-Aug-2012	Telephone	Boucher Lake Enterprises	Hydrology field trip
21-Aug-2012	Telephone and email	Jaco Ventures	Field work contract with Jaco Ventures
6-Sep-2012	Meeting	Lands and Sustainable Resource Management Department	Project update, temporary foreign workers, training, third party review of the Application/EIS
7-Sep-2012	Email	Lands and Sustainable Resource Management Department	Traditional use study
19-Sep-2012	Telephone and email	Jaco Ventures	Field assistant employment opportunities
8-Oct-2012	Telephone	Bea Monitoring Services	Field work contract with Bea Monitoring
8-Oct-2012	Telephone and email	Community member	Field assistant employment opportunities
11-Oct-2012	Teleconference	Lands and Sustainable Resource Management Department; Band Councillor; Firelight Group	VC selection; TK/TU study scope of work; baseline studies overview; socio-economic research needs; SFN interest in human health risk assessment; cumulative historical impacts.
16-Oct-2012	Telephone and email	Jaco Ventures	Field assistant employment opportunities
16-Oct-2012	Telephone and email	Boucher Lake Enterprises	Field assistant employment opportunities
16-Oct-2012	Email	Lands and Sustainable Resource Management Department; The Firelight Group	October 11, 2012 teleconference minutes
23-Oct-2012	Email	Lands and Sustainable Resource Management Department	Funding for training/certification; HD Mining's proposed training and transition program
1-Nov-2012	Email	Lands and Sustainable Resource Management Department	Draft traditional knowledge and use report for review and comment
1-Nov-2012	Telephone	Lands and Sustainable Resource Management Department	October 11, 2012 teleconference minutes; draft traditional knowledge and use report
1-Nov-2012	Email	Lands and Sustainable Resource Management Department; The Firelight Group	October 11, 2012 teleconference minutes

## Appendix 2-D2. Summary of HD Mining's Communications with Saulteau First Nations during the Pre-Application Stage

Date	Method of Communication	Participants	Topic of Communication
3-Nov-2012	Telephone and email	Jaco Ventures	Field assistant employment opportunities
17-Nov-2012	Email	Band Chief	Declining invitation to attend November 24 tour of Monkman Common Development
22-Nov-2012	Meeting	Band Chief and Council; Lands and Sustainable Resource Management Department; Education Department	Project update; employment opportunities; Confidentiality Agreement; Third Party Review of the Application/EIS; Proponent data sharing; TK/TU studies; concurrent permitting; draft First Nations Consultation Plan; agreements between HD Mining and SFN; foreign temporary workers; training opportunities
24-Nov-2012	Monkman Common Development Tour	Community members	First Nations leadership meeting and tour opportunity at Monkman Common development
13-Dec-2012	Email	Lands and Sustainable Resource Management Department	Draft First Nations Consultation Plan for review and comment
18-Dec-2012	Email	Lands and Sustainable Resource Management Department	Comments on the draft First Nations Consultation Plan
20-Dec-2012	Email (with attachment)	Lands and Sustainable Resource Management Department	Copy of SFN comments on the dAIR submitted to the BC EAO
8-Jan-2013	Email	Lands and Sustainable Resource Management Department	Field employment opportunities
16-Jan-2013	Telephone	Lands and Sustainable Resource Management Department	Scope of work and budget for traditional knowledge and use research conducted by the Firelight Group
16-Jan-2013	Telephone	Bea Monitoring Services	Field assistant employment opportunities
17-Jan-2013	Telephone	Boucher Lake Enterprises	Field assistant employment opportunities
23-Jan-2013	Email	Lands and Sustainable Resource Management Department	Funding for training/certification; HD Mining's proposed training and transition program
13-Feb-2013	Email	Pottinger Gaherty Ltd.	Contract for third party review of Application/EIS
14-Feb-2013	Email	Band Chief; cc Lands and Sustainable Resource Management Department	Copy of HD Mining news release regarding the temporary foreign workers; copy of an open letter to the Construction and Specialized Workers Union, Local 1610 and the International Union of Operating Engineers, Local 115.
20-Mar-2013	Letter	Band Council; Lands and Sustainable Resource Management Department	Scope, deliverables, timeline and budget for a traditional knowledge and use study to be conducted by the Firelight Group
20-Mar-2013	Letter	Band Council; Lands and Sustainable Resource Management Department	Scope, deliverables, timeline and budget for a traditional knowledge and use study to be conducted by the Firelight Group

**Appendix 2-D2. Summary of HD Mining's Communications with Saulteau First Nations during the Pre-Application Stage**

Date	Method of Communication	Participants	Topic of Communication
25-Mar-2013	Email	Lands and Sustainable Resource Management Department	Funding proposal submitted by SFN regarding the traditional knowledge and use study to be conducted by the Firelight Group
26-Mar-2013	Meeting	Band Chief & Council	Project update; employment opportunities; Project site visit for Band Council and elders; Traditional Use Study proposal; training; MOU with Northern Lights College; capacity funding and Participation Agreement
28-Mar-2013	Fax	Band Council	Sponsorship request for a rodeo event
2-Apr-2013	Letter	Lands and Sustainable Resource Management Department	Funding request for a community scoping meeting in support of the FNs Independent Technical Review
3-Apr-2013	Email	Boucher Lake Enterprises	Field assistant opportunities for hydrology work
4-Apr-2013	Email	Band Council	Copy of HD Mining / Northern Lights College MOU
5-Apr-2013	Letter	Lands and Sustainable Resource Management Department	Agreement to fund community scoping meeting for third party review of the Application/EIS
5-Apr-2013	Email	Lands and Sustainable Resource Management Department	SFN data from a 2008/2009 UNBC First Nations Food, Nutrition and Environment Study
9-Apr-2013	Email	Lands and Sustainable Resource Management Department	Request for a copy of SFN data from a 2008/2009 UNBC First Nations Food, Nutrition and Environment Study (follow-up)
12-Apr-2013	Telephone	Lands and Sustainable Resource Management Department	SFN will not provide SFN-specific data from UNBC First Nations Food, Nutrition and Environment Study. SFN is Interested in doing a new study. HD Mining will use data from the published UNBC study until updated Saulteau data can be made available
15-Apr-2013	Email	Lands and Sustainable Resource Management Department	Confidentiality Agreements
18-Apr-2013	Email	4Evergreen Resources	Field assistant employment opportunities
22-Apr-2013	Email	Lands and Sustainable Resource Management Department	Letter and invoice in follow-up to the third party review community scoping meeting held April 16, 2013
2-May-2013	Telephone	Boucher Lake Enterprises	Field assistant employment opportunities
14-May-2013	Email	Lands and Sustainable Resource Management Department	Comments from third party review community scoping meeting held April 16, 2013
28-May-2013	Teleconference	Lands and Sustainable Resource Management Department; The Firelight Group	Integration of the SFN/Firelight Group Traditional Land Use report with the Application/EIS
5-Jun-2013	Email	Lands and Sustainable Resource Management Department	Traditional use study proposal

**Appendix 2-D2. Summary of HD Mining's Communications with Saulteau First Nations during the Pre-Application Stage**

Date	Method of Communication	Participants	Topic of Communication
6-Jun-2013	Email	4Evergreen Resources	Field assistant employment opportunities
12-Jun-2013	Email	Lands and Sustainable Resource Management Department	Traditional Land Use Study proposal
17-Jun-2013	Email	4Evergreen Resources	Field assistant employment opportunities
17-Jun-2013	email	Lands and Sustainable Resource Management Department	Comments from the April 16 third party review community scoping meeting provided to firelight group
25-Jun-2013	Email	Lands and Sustainable Resource Management Department	Traditional use study proposal
25-Jun-2013	Email	Lands and Sustainable Resource Management Department	Traditional use study proposal
26-Jun-2013	Email	4Evergreen Resources	Field assistant employment opportunities
27-Jun-2013	Email	Lands and Sustainable Resource Management Department	Traditional Land Use Study proposal
5-Jul-2013	Event	Community members	Donation for Pemmican Days community event (\$1000)
5-Jul-2013	Event	Community members	Attendance at Pemmican Days community event
6-Jul-2013	Event	Community members	Attendance at Pemmican Days community event
7-Jul-2013	Event	Community members	Attendance at Pemmican Days community event
11-Jul-2013	Email	Lands and Sustainable Resource Management Department	Traditional use study proposal
16-Jul-2013	Email	Lands and Sustainable Resource Management Department	Traditional Land Use Study proposal
18-Jul-2013	Email	Pottinger Gaherty Ltd.	Project baseline reports for third party review: Hydrology, Meteorology, Terrain and Soils
22-Jul-2013	Email	Lands and Sustainable Resource Management Department	Copy of Project GIS (spatial) files
29-Jul-2013	Email	Lands and Sustainable Resource Management Department	Copy of Project GIS (spatial) files
13-Aug-2013	Email	Pottinger Gaherty Ltd.	Project baseline reports for third party review: Socio-economic, Metals, Heritage, Non-traditional Land and Resource Use
6-Sep-2013	Email	Pottinger Gaherty Ltd.	Project baseline reports for third party review: Country Foods, Fisheries, and Aquatics

**Appendix 2-D2. Summary of HD Mining's Communications with Saulteau First Nations during the Pre-Application Stage**

Date	Method of Communication	Participants	Topic of Communication
11-Sep-2013	Letter (via email)	Chief and Council	Agreement to fund the SFN Knowledge and Use Study to be undertaken by the Firelight Group
4-Nov-2013	Email	Pottinger Gaherty Ltd.	Third party review of the Application/EIS
7-Nov-2013	Email	Lands and Sustainable Resource Management Department	Invoice for traditional use study
3-Feb-2014	Telephone	Lands and Sustainable Resource Management Department	Traditional use study timelines and scheduling for technical review meeting
11-Mar-2014	Email	Lands and Sustainable Resource Management Department; Firelight Group	Status of Firelight review of socio-economic and country foods documents and scheduling for technical review meeting of traditional land use study
12-Mar-2014	Letter	Chief	Project update
14-Mar-2014	Telephone	Lands and Sustainable Resource Management Department	To schedule receipt of draft TK/TUS study and 1-day technical workshop with ERM Rescan
14-Mar-2014	Email	Lands and Sustainable Resource Management Department; Firelight Group	To schedule receipt of draft TK/TUS study and 1-day technical workshop with ERM Rescan
21-Mar-2014	Letter	Chief and Council	Pre-Application/pre-EIS First Nations Consultation Report for SFN review and comment
2-Apr-2014	Email	Lands and Sustainable Resource Management Department	Expected delivery of TK/TUS study for ERM Rescan review
25-Apr-2014	Letter	Chief and Council	Project plain language summary for SFN members. Summary of SFN-relevant information to be included in the application/EIS for SFN review and comment.
25-Apr-2014	Email	Lands and Sustainable Resource Management Department	Request for update regarding status of SFN land use report
2-May-2014	Email	Lands and Sustainable Resource Management Department	Comments on pre-application First Nations consultation report
21-May-2014	Meeting	Lands and Sustainable Resource Management Department	Review of SFN TUS study and discussin of integreation of findings into the Application/EIS
27-May-2014	Telephone	Administration	To confirm receipt of plain language summary and Aboriginal and treaty rights-related information
2-Jun-2014	Letter (via email)	Lands and Sustainable Resource Management Department	Comments on "Aboriginal Engagement Prior to the Application for an Environmental Assessment Certificate / Environmental Impact Statement" prepared by PGL on behalf of WMFN, SFN, and MLIB

**Appendix 2-D2. Summary of HD Mining's Communications with Saulteau First Nations during the Pre-Application Stage**

Date	Method of Communication	Participants	Topic of Communication
10-Jun-2014	Letter	Chief and Council	Distribution of AIA report
18-Jun-2014	Email	Lands and Sustainable Resource Management Department	Electronic delivery of the socio-economic and country foods gap analysis report prepared by the Firelight Group on behalf of SFN
7-Jul-2014	Email	Lands and Sustainable Resource Management Department	Request for update on the incorporation of SFN studies into the Application
6-Aug-2014	Email	Lands and Sustainable Resource Management Department	Request to change depiction of SFN traditional territory in Fig. 20.3-5
6-Aug-2014	Email	Lands and Sustainable Resource Management Department	Change to Fig. 20-3-5 to address SFN concerns
7-Aug-2014	Email	Lands and Sustainable Resource Management Department	Re: Ch. 20 - SFN concern regarding a statement that SFN are not known to hunt grizzly. Sustenance values could include grizzly, therefore the statement needs to be removed. SFN also would like to see the total land use sites recorded in the report, not only sustenance.
13-Aug-2014	Email	Lands and Sustainable Resource Management Department	SFN comments will be integrated into Ch. 20
9-Oct-2014	Meeting	Lands and Sustainable Resource Management Department	Re: SFN (and WMFN and MLIB) comments on the assessment of current use of lands and resources for traditional purposes (Ch 17) and Aboriginal and treaty rights and related interests (Ch 20)
17-Oct-2014	Letter (via email)	Lands and Sustainable Resource Management Department	Letter and draft revisions to Chapters 17 and 20 of the Murray River Project Application/EIS, as discussed at the October 9, 2014 meeting between HD Mining and SFN, WMFN, and MLIB in Chetwynd
13-Oct-2014	Meeting	Lands and Sustainable Resource Management Department	Re: assessment of current use of lands and resources for traditional purposes (Ch 17) and Aboriginal and treaty rights and related interests (Ch 20)

**Appendix 2-D3. Summary of HD Mining's Communications with McLeod Lake Indian Band during the Pre-Application Stage**

Date	Method of Communication	Participants	Topic of Communication
24-Mar-2010	Email	Land Referral Office	Draft MOU; capacity funding; community project funding
28-Apr-2010	Email	Land Referral Office	MLIB news letter draft MOU
29-Apr-2010	Email	Land Referral Office	Draft MOU
30-Apr-2010	Email	Land Referral Office	Draft MOU
18-May-2010	Email	Land Referral Office	Draft MOU; fee schedule; Territory map
19-May-2010	Email	Land Referral Office	Copy of Project Water Fowl Study
20-May-2010	Meeting	Band Chief and Council	Signing of the MOU. Lunch. Chetwynd Mayor, Chamber of Commerce Manager and Chetwynd EDO in attendance
12-Jul-2011	Meeting	Land Referral Office	Copy of Notice of Work Application for Murray River Coal Bulk Sample Project and Waste Discharge Permit Application (TAR)
13-Jul-2010	Site Tour	Land Referral Office	Tour of the reclaimed Murray River Drill sites
