Subject: Meetings with Indigenous Nations
Date: September 27, 2017 4:39:34 PM

Dear Roberts Bank Terminal 2 Panel,

The Agency has invited Indigenous groups at the moderate to high end of the depth of consultation spectrum to meet with the Federal Review Team for the proposed Roberts Bank Terminal 2 Project over the fall of 2017. Please see the attached letters for details. The intention is that a meeting summary will be provided to the Review Panel, from the Indigenous groups, based on mutually agreed upon notes from the meetings.

Thank you.

Esquimalt Nation

<contact information removed>

Dear Chief Andy Thomas,

On [July 24, 2017](#), the Review Panel for the proposed Roberts Bank Terminal 2 Project (the Project) issued a letter to Esquimalt Nation indicating that they are continuing to collect information relevant to the environmental assessment, including Esquimalt Nation submissions, with the goal of proceeding to a public hearing.

Further to the Review Panel's letter, the Canadian Environmental Assessment Agency (the Agency) and the members of the federal review team would like to meet with Esquimalt Nation, at your earliest convenience and a location of your choice, to discuss:

- 1- Concerns you have raised thus far in the process with respect to marine shipping;
- 2- Any other agenda items you would like to address; and
- 3- The consultation process, in light of the recently released "[Principles Respecting the Government of Canada's Relationship with Indigenous People](#)". An updated workplan will be forthcoming.

The Agency would like to submit mutually agreed upon notes from this meeting to the Review Panel for their information.

To better address Esquimalt Nation concerns, we ask that you identify which federal departments you would like to attend the meeting. For a list of federal departments and what they do, please see the [Federal Expertise Handout](#), available at CEAR Document #138.

Thank you for the ongoing participation of Esquimalt Nation in the federal environmental assessment of the Project. If you have any questions or concerns, please do not hesitate to contact me by phone at <contact information removed> or by email at Analise.Saely@ceaa-acee.gc.ca.

Tsartlip First Nation
<contact information removed>

Dear Chief Don Tom,

On [July 24, 2017](#), the Review Panel for the proposed Roberts Bank Terminal 2 Project (the Project) issued a letter to Tsartlip First Nation indicating that they are continuing to collect information relevant to the environmental assessment, including Tsartlip First Nation submissions, with the goal of proceeding to a public hearing.

Further to the Review Panel's letter, the Canadian Environmental Assessment Agency (the Agency) and the members of the federal review team would like to meet with Tsartlip First Nation, at your earliest convenience and a location of your choice, to discuss:

- 1- Concerns you have raised thus far in the process with respect to the Project and marine shipping;
- 2- Any other agenda items you would like to address; and
- 3- The consultation process, in light of the recently released "[Principles Respecting the Government of Canada's Relationship with Indigenous People](#)". An updated workplan will be forthcoming.

The Agency would like to submit mutually agreed upon notes from this meeting to the Review Panel for their information.

To better address Tsartlip First Nation concerns, we ask that you identify which federal departments you would like to attend the meeting. For a list of federal departments and what they do, please see the [Federal Expertise Handout](#), available at CEAR Document #138.

Thank you for the ongoing participation of Tsartlip First Nation in the federal environmental assessment of the Project. If you have any questions or concerns, please do not hesitate to contact me by phone at <contact information removed> or by email at Analise.Saely@ceaa-acee.gc.ca.
