NOVA Gas Transmission Ltd. – Wolverine Lateral Loop (Carmon Creek Section)

How can I apply to participate in the hearing?

The National Energy Board (NEB) received an application for the Wolverine Lateral Loop (Carmon Creek Section) on 25 March 2014. The NEB has reviewed the application, determined it to be complete, and will hold a public hearing.

Those who wish to participate in the NEB hearing must apply to participate. Those who are directly affected by the proposed project will be allowed to participate in the hearing and those with relevant information or expertise may be allowed to participate.

The applications are due on or before 4 p.m. (MST) on 13 June 2014.

The easiest way to submit the Application to Participate (ATP) form is to complete and submit it online. You will also be able to effect service immediately by submitting the form online. The online form will be available on the NEB's website on **14 May 2014**.

To file an ATP form, you must create a user name and password. Please keep a record of the user name and password you create as you need these to access your account in the future.
