Mr. David Black  
Chief Executive Officer/President  
Kitimat Clean Ltd.  
818 Broughton Street  
Victoria BC V8W 1E4

Dear Mr. Black:

**RE: Proposed Marine Terminal of the Kitimat Clean Refinery Project**

On May 6, 2016, the Canadian Environmental Assessment Agency (the Agency) received a project description for the proposed Kitimat Clean Refinery Project (the Project) from Kitimat Clean Ltd. (Kitimat Clean). In a letter dated May 16, 2016, the Agency noted that a 45-day review of the project description would be conducted, which includes a 20-day public comment period on the summary of the project description, to determine whether an environmental assessment is required.

During the public comment period, the Agency was made aware that the proposed marine terminal for the Project would be located on the same land as the marine terminal proposed for the Enbridge Northern Gateway Project (Agency Registry file 21799). The Agency requests that you provide a written response clarifying the current ownership and legal right to use the land where the marine terminal for the Project would be located. Please provide this information by June 13, 2016.

Should you require additional information, please contact me at *Quincy.Leung@ceaa-acee.gc.ca* or 604-666-8940.

Sincerely,

<Original signed by>

Quincy Leung
