Subject: Notice of Commencement of the Impact Assessment for the Suncor Base Mine Extension Project

Mr. Heisler,

The Impact Assessment Agency of Canada (the Agency) is informing you of the commencement of the impact assessment for the proposed Suncor Base Mine Extension Project (the Project), under the *Impact Assessment Act*. The Project was also referred to an independent review panel by the Minister of the Environment and Climate Change on January 28, 2021. The following documents have been posted on the Canadian Impact Assessment Registry and will be used to inform the impact assessment process:

- [Notice of commencement of the impact assessment](#)
- [Tailored Impact Statement Guidelines](#)
- [Public Participation Plan](#)
- [Indigenous Engagement and Partnership Plan](#)
- [Cooperation Plan](#)
- [Permitting Plan](#)

Please note that you must provide the Agency with the information or studies that are set out in the Tailored Impact Statement Guidelines within three years.

The Agency will be available should you have any questions regarding the preparation of the impact statement for the Project. When the Agency is satisfied that you have provided it with all of the information or studies, it will post a notice of that determination on the Canadian Impact Assessment Registry. If you require additional time, you must request an extension to the time limit before it expires or the impact assessment will be terminated.

Should you have questions, please do not hesitate to contact Ms. Maryse Pineau, Panel Manager at <contact information removed> or by email at <email address removed>

Sincerely,

Colette Spagnuolo
Director, Review Panels Division
