

Good morning,

This is a friendly reminder that you are invited to join the Impact Assessment Agency in Timmins on February 22 for an information session about the federal impact assessment of the Crawford Nickel Project.

Learn more about the Crawford Nickel Project, the federal impact assessment process, and how to submit comments on the draft Tailored Impact Statement Guidelines and draft Public Participation Plan!

Wednesday, February 22

4:00 p.m. to 7:00 p.m. ET

Ramada Timmins, 1800 Riverside Drive, Timmins, Ontario, P4R 0A5

*A short presentation given every hour on the hour (4:00 p.m., 5:00 p.m., and 6:00 p.m.). Agency representatives will be on hand to answer questions you may have about the project and the impact assessment process.

Please RSVP by completing the following form: <https://forms.office.com/r/gTg4LKbSY3>.

You can submit comments on the planning documents online in either official language by 11:59 p.m. on March 8, 2023, using the Submit a Comment Feature on the Canadian Impact Assessment Registry. All comments received will be published online as part of the project file.

Please Spread the Word

In addition to the Canadian Impact Assessment Registry, the Agency uses print, web, radio and social media to advertise comment periods. We would appreciate your support in making those on your organization's distribution list, as applicable, aware of the Agency's comment period and upcoming in-person information session. If you routinely send notices to members, the Agency would appreciate it if you would forward this email.

More information: Stay updated on this project by following the Agency on Twitter: @IAAC_AEIC #CrawfordNickel. If you have any questions, do not hesitate to contact me at 902-399-8838 or by email at Crawford@iaac-aeic.gc.ca.

Thank you,

Erin Norton

Project Analyst, Ontario Region

Impact Assessment Agency of Canada / Government of Canada
