

Dear Chief Achneepineskum and Chief Wabasse,

On behalf of Anjala Puvananathan, Director of the Ontario Regional Office, please see the attached letter from the Impact Assessment Agency of Canada (the Agency), along with the Summary of Issues with respect to the Initial Project Description for the Northern Road Link Project.

Please note that some interested parties may not have had the opportunity or capacity to provide comments during the comment period on the Summary of the Initial Project Description. The Agency will continue to accept comments from interested parties and the *Submit a Comment* feature on the Project's Registry page will remain available. You are encouraged to review and consider any comments submitted within a reasonable time period after the close of the comment period when you prepare the response to the Summary of Issues.

In the coming days, the Summary of Issues will be posted in both English and French on the Canadian Impact Assessment Registry Internet site for the Project: <https://iaac-aeic.gc.ca/050/evaluations/proj/84331>

Please let me know if you have any questions or concerns.

Best regards,

Ely Weisbrot
