**Offshore Wind Development in Newfoundland and Labrador and Nova Scotia**  
**Submission Form**

As part of the planning phase for the Regional Assessment of Offshore Wind Development in Newfoundland and Labrador and Nova Scotia, the Impact Assessment Agency of Canada (the Agency) is inviting expressions of interest from individuals and organizations that hold information and datasets that could support the future conduct of the Regional Assessment.

The objective is to begin to identify existing and available information sources that may be useful for the Regional Assessment, in order to provide an inventory of such sources to the Committees once appointed, for their consideration in the early stages of their work.

**Response should be submitted to OffshoreWind-EolienneExtracotiere@iaac-aeic.gc.ca by February 15, 2023 (TBD)**

All expressions of interest will be posted online on the Canadian Impact Assessment Registry as part of the Regional Assessment file. For more information on the Government of Canada's open data policy, we encourage applicants to read the [Open Data principles](#).
