UNCLASSIFIED - NON CLASSIFIÉ

Good Morning Michael & Christine,

The Committee was wondering if it would be possible for CWS to review the document attached which contains sections of their draft Interim report, related to avifauna, to ensure they are not sharing any information CWS may deem confidential. The Committee would need to know any issues by EOD March 19th, to ensure any changes can be made before they submit to the Ministers on the 23rd. My apologies for the tight turn around, as the draft was only just completed.

If you have any issues or questions, please let me know!

Thank you,

Catherine Ducey
